All of the accommodations have been renovated within the last 8 years, and they have private bathrooms, individual heat control, satellite TV, free WiFi, telephones, and coffeemakers. Rooms are located on the first or second floors of the historic inn, and the Inn does not have an elevator. The following rate is per person, based on double occupancy, for rooms with one queen bed OR one king bed OR two queen beds. Tax is included. Meals are additional.

## **Pre-Trip Ski Day at Killington (IKON Pass Resort) (Sat., Sun) and Post-Trip Ski Day (Fri., Sat., Sun)**

- IKON Pass holders can ski FREE at Killington on these days.
- For non-IKON Pass holders, Killington will provide a specific link/code for EPSC, valid to purchase lift tickets on participant's own for the following dates (2/25-2/27 & 3/3-3/5)
- Killington will offer 10%-20% off the already discounted online rates (which vary between 40% off midweek and 5% off on weekends/holidays depending how far out you purchase).
- An actual price cannot yet be quoted because the EPSC discount will be based on a % discount off the already discounted online rates and those do not exist yet.
- EPSC would distribute the online code to our members signed up for the Saddleback trip and individuals would just purchase the tickets on their own for the days they want, reload their existing RFID or get a new one, and pick it up from an automated kiosk machine at any lodge.
