SNOWMASS COLORADO

March 20-27, 2021 \$2075 pp double occupancy

The description of a perfect ski mountain is right there in our name. Snowmass is covered with perfect Colorado powder, and massive enough to offer up every type of terrain from serene to extreme. Twenty-one speedy lifts (but rarely lift lines) deliver you to more than 3,300 acres of snow sports galore, including 94 trails totaling 150 miles which vary from cruisers to cliff bands, plus three terrain parks and pipes all at Aspen Snowmass.

Seven on-mountain restaurants offer places to pause and rest, which you'll need after trails that stretch as long as five miles. We'll be staying at the Stonebridge Inn located in the center of Snowmass Village and just steps to the lifts. Amenities include heated outdoor pool and hot tubs, fitness center, Wi-Fi, overnight ski storage and The Artisan restaurant and bar on-site. A free shuttle service is available to take you to Aspen, Aspen Highlands Buttermilk and downtown Aspen. This trip includes:
